GREEN BUILDING INITIATIVES AND CONNECTIVITY

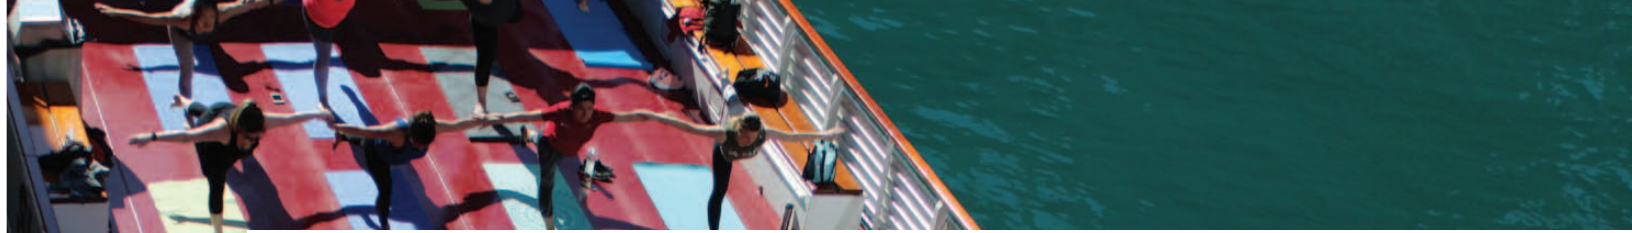

401 North Michigan has successfully achieved LEED® PLATINUM Certification by the U.S. Green Building Council along with Energy Star Certification by the U.S. Environmental Protection Agency. The building has also been awarded a WiredScore Gold rating since 2016 demonstrating the building's commitment to provide the connectivity tenants expect and demand while keeping pace with the cutting edge of technology.

MAXIMIZE YOUR EXPOSURE

Tenants at 401 North Michigan enjoy immediate access to the most prominent and largest privately owned plaza in Chicago – Pioneer Court. Featuring granite pavers, landscaped planters, and attractive water fountains, the plaza draws over 22,000 pedestrians daily from the tourist mecca of Michigan Avenue. The plaza is shared with Apple’s global flagship store and provides immediate access to the Riverwalk via “Spanish” steps. The historic Pioneer Court has become one of the most dynamic open spaces in the City, playing host to a myriad of events that showcase the best of what Chicago has to offer.

CURATING THE 401 COMMUNITY

As the line between work and play continues to blur, 401 North Michigan aims to be part of the solution to the work/life balance by providing meaningful experiences in the workplace and opportunities to connect with other tenants and the surrounding neighborhood. Curating a holistic, connected community workplace experience is our primary goal.

We create a dynamic workplace through event programming, organized charity events and custom crafted services such as The Yellow Tractor Project, spin and yoga classes on Pioneer Court, public art displays, pop-up shops and various other activities throughout the year.
